DETAILED ACTION

Claims 1-5 are currently pending in the application is acknowledged. This application is a CIP of 10/358,623 filed 02/04/2003, which claims benefit of 60/370,888 filed 04/05/2002, and claims benefit of 60/393,696 filed 07/02/2002 and claims benefit of 60/398,146 filed 07/23/2002.

Information Disclosure Statement

This office acknowledges receipt of the following items from the applicant: Information Disclosure Statement (IDS) filed on 01/13/2004 and 10/18/2004. The references cited on the PTOL 1449 form have been considered.

Allowable Subject Matter

The following is an examiner's statement of reason for allowance:

Claims 1-5 are allowable over the prior art of record because the prior art of record does not teach or render obvious in an electrically programmable and erasable memory device having a substrate of semiconductor material of a first conductivity type and having a first and second spaced-apart regions formed in the substrate of a second conductivity type, with a non-co-planar channel region formed in the substrate therebetween, wherein the non-co-planar channel region having two portions: a first portion and a second portion, an electrically conductive control gate having a portion disposed adjacent to and insulated from the first portion of the channel region for creating an inversion layer therein, a floating gate having a portion disposed adjacent to and insulated from the second portion of the channel region by an insulator, for creating a depletion

Art Unit: 2818

region having field lines directed to the floating gate, wherein the first region is adjacent to the inversion layer, a method of programming the device comprises, in combination with all other features, accelerating the stream of electrons through the depletion region by the field lines, with little or no scattering, causing the electrons to be accelerated through the insulator and injected onto the floating gate as recited in independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
